

Our community needs a hand - yours!

For decades, the Cash neighborhood in West Phoenix has been home to many Hispanic families. To preserve this historically Hispanic neighborhood for generations to come, we need your help.

Join Valley Toyota Dealers, Chicanos Por La Causa and the City of Phoenix for the fifth *Barrios Bellos* beautification and cleanup event to benefit this significant neighborhood and its residents.

Working hand in hand, we can help our *comunidad* grow stronger!
