**Career interests and educational goals:**

**Describe in detail, your involvement in ADVOCACY activities in the community by providing the answers to the following questions:**

**Remember: Advocacy differs from community service. *To advocate means to challenge or question an injustice or inequality and to attempt to correct an unfair, biased (discriminatory), or abusive situation.***

**1. What issue(s) did you advocate for (or against)?**

**2. Did you work with an organization(s) on this/these issues? If so, name the organization(s).**

**3. What specific action did you take?**

**4. How was it resolved (its outcome)?**
